LISTENING TO YOUR IDEAS

FURNITURE DESIGNED TO BE AS INDIVIDUAL AS YOU

We like to work on a 'you design' basis (your own unique design). This does not mean we leave all the design work to you it simply means that your furniture is designed to be as individual as you are. We are proud to be fully bespoke and not work with an existing range. This allows full design flexibility with us able to explore all timbers, veneers, stone, glass, metals and fabrics. We are not tied to a certain moulding or panel design. Doors and drawers can be 'in frame' or not. If you require a 496mm cabinet then that is what it should be...nothing is standard.

Contact our design team to discuss your requirements and arrange a site visit.
